

Our country cannot afford another questionable presidential election. If Sinclair Broadcasting is allowed to force their stations to air an anti-Kerry documentary days before the election that is exactly what could happen.

Sinclair uses the public airwaves free of charge and is obligated by law to serve the public interest. They should not be allowed to force partisan electioneering onto the airwaves. That does not serve our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. If they air the anti-Kerry documentary their license should not be renewed. Thank you.
